

STUDENT TRANSPORTATION IN PRIVATE VEHICLES

For extra-curricular activities requiring District provided transportation, buses, vans or other vehicles operated by District employees or designated sub-contractors will be used. However, when buses, vans or other vehicles operated by District employees or designated sub-contractors are not available for extra-curricular activities requiring District provided transportation, private vehicles may be permitted to transport students to or from school activities that fall within the academic day or extend the school day provided all of the following conditions are met:

1. The activity has the approval of the school principal
2. The owner of the vehicle being used in transporting students must file evidence with the Superintendent of personnel liability insurance coverage on the vehicle in the amounts of \$100,000 - \$300,000 or more.
3. The parents of students to be transported in this manner will be fully informed as to this means of transportation and will sign a statement to this effect.
