

STAFF RECRUITING/POSTING OF VACANCIES

The search for good teachers, professional employees and support staff will extend to a wide variety of educational institutions and geographical areas. It will take into consideration the characteristics of the town and the need for a heterogeneous staff from various cultural backgrounds.

Recruitment procedures will not overlook the talents and potential of individuals already employed by the school system. Any current employee may apply for any position for which he or she has certification and meets other stated requirements.

Openings in the schools will be posted in sufficient time, before the position is filled, to permit current employees to submit applications.
