

PARENTAL NOTIFICATION RELATIVE TO SEX EDUCATION

In accordance with law, the School Committee has adopted this policy on the rights of parents and guardians of our students in relation to curriculum that primarily involves human sexual education or human sexuality issues.

At the beginning of each school year, all parents/guardians of students in our schools will be notified in writing of the courses and curriculum we offer that primarily involve human sexual or human sexuality issues. The Superintendent of Schools will determine the administrator(s) responsible for sending the notice(s). Parents/guardians of students who enroll in school after the start of the school year will be given the written notice at the time of enrollment. If planned curricula change during the school year, to the extent practicable, parents/guardians will be notified of this fact in a timely manner before implementation.

Each such notice to parents/guardians will include a brief description of the curriculum covered by this policy, and will inform parents/guardians that they may:

1. Exempt their child from any portion of the curriculum that primarily involves human sexual education or human sexual issues, without penalty to the student, by sending a letter to the school Principal requesting an exemption. Any student who is exempted by request of the parent/guardian under this policy may be given an alternative assignment.
2. Inspect and review program instruction materials for these curricula, which will be made reasonably accessible to parents/guardians and others to the extent practicable. Parents/guardians may arrange with the Principal to review the materials at the school and may also review them at other locations that may be determined by the Superintendent of Schools.

A parent/guardian who is dissatisfied with a decision of the Principal concerning notice, access to instructional materials, or exemption for the student under this policy may send a written request to the Superintendent for review of the issue. The Superintendent or designee will review the issue and give the parent/guardian a timely written decision, preferably within two weeks of the request. A parent/guardian who is dissatisfied with the Superintendent's decision may send a written request to the School Committee for review of the issue. The School Committee will review the issue and give the parent/guardian a timely written decision, preferably within four weeks of the request. A parent/guardian who is still dissatisfied after this process may send a written request to the Commissioner of Education for review of the issue in the dispute.

The Superintendent of Schools will distribute a copy of this policy to each Principal by September 1 of each year.
