

SUMMER SCHOOLS

The school system will conduct summer sessions as a supplement to the instruction offered during the school year, when funding for such programs is available. The focus of the program will be remedial work.

To attend tuition-free remedial summer school, students must have the approval of their classroom and/or special subject teachers.

Students at all instructional levels may attend approved summer schools for remedial, enrichment, or make-up purposes. Credit towards graduation requirements may be granted high school students in line with regulations of the school district.
