Graduating Class Funds

Funds held on behalf of graduating classes are to be held within the Student Activity Checking Account for the High School. Such funds shall be designated by the class' Year of Graduation, such as Class of 1998, etc.

Once a class has graduated from High School, their funds should be removed from the High School Student Activity Checking Account no later than two years from the date of graduation. It is the responsibility of the class officers to arrange for these funds to be removed from the High School Activity Checking Account. When requested, and once all outstanding financial obligations of the graduating class have been met, the remaining balance should be removed from the fund by check transfer payable to the Class of XXXX. Checks payable to individual members of the graduating class are not permitted.

Should the class officers not request to have their funds removed from the Student Activity Checking Account within two years of their graduating, the funds will be forfeited by the class and transferred into the General Sub-fund portion of the Student Activity Agency Account. These funds will then be allocated by a vote of the School Committee.

Class officers should be given a copy of this policy during the course of their senior year to ensure their knowledge of their obligations to perform under this policy.
