LITTLETON -- Principal Michelle Kane is pleased to report that Shaker Lane Elementary School hosted its annual Winterfest last week.

On Friday, Jan. 25, Shaker Lane families attended the traditional event, which featured games, a raffle and a cake walk, along with food and beverages for parents and kids to enjoy together.

Over 200 students and family members attended the event, which has been sponsored each year for more than a decade by the PTA. The event included a raffle featuring 95 baskets of prizes donated by community organizations, Shaker Lane teachers and parents. Students also had opportunities to win prizes while playing a variety of games.

The cake walk is much like musical chairs, with participants winning cakes if the spot they've stopped on is chosen.

"Our whole school community looks forward to the Winterfest each year," Principal Kane said. "It's a great way for our students to stay engaged with their classmates and have fun with their families at school, in a non-classroom setting."
