

Dear Fourth Grade Parents and Guardians,

Each year we are asked what supplies students should have for the start of the school year. Please don't feel the need to buy everything new since some supplies from third grade might still be in good shape and can be used again. If your student is not able to bring in their own supplies, please let me know (ttecce@littletonps.org) so that I can have a set ready for them on the first day. Please don't hesitate to reach out to me with any questions or concerns you may have!

To the right of the list for individual student supplies, you will find a list labeled "class donations". These are items that we will use throughout the year in the classroom as well as some extra student supplies. If you are able to contribute to our class supplies that would be amazing ☺

Thank you for your support!

Mrs. Hegarty (formally Ms. Tecce)
